SUMMARY

Passionate and driven computer science graduate with strong knowledge in Java, Python, SQL, and web technologies. Skilled in problem solving, OOPs, and database management. A quick learner with good analytical and logical reasoning skills, open to relocation and online opportunities.

EDUCATION

Little Lilli English Medium School, Kumbbla, Kasaragod	2018
CBSE	
SSLC	

Canara PU College, Mangaluru	2020
Karnataka State	
PUC	

Canara College, Mangaluru	2023
Karnataka State	
B.Sc	

Shree Devi Institute of Technology, Mangaluru	2025
Karnataka State	
MCA	

TECHNICAL SKILLS

- | | | |
|-------------|--------|--------------|
| • Core Java | • OOPs | • Python |
| • MySQL | • DBMS | • HTML |
| • CSS | • C++ | • JavaScript |
| • JDBC | | |

PROJECTS

Gold Price Analysis Using Python

- Analyzed historical gold price data using Python (Pandas, Matplotlib, Seaborn).
- Applied moving averages and time series analysis to identify trends and forecast patterns.
- Performed correlation analysis with economic factors like inflation, dollar index, and crude oil prices.

PharmaCart: Distributed Advanced Online Medical Store

- Built PharmaCart, a scalable online medical store using Java Spring Boot, MySQL, HTML, and CSS.
- Implemented secure authentication, real-time inventory, and order tracking features.
- Enhanced database performance and ensured a responsive, user-friendly experience across devices.

CERTIFICATIONS

Full Stack Web Development – Tap Academy (2025)

Mastered Core Java, Advanced Java (JDBC, J2EE, Servlets), Spring, Hibernate, MySQL, and Frontend Development. Gained hands-on experience in OOPs, Collections, Multithreading, Exception Handling, and Java 8 features such as Lambda Expressions and Stream API. Applied skills through multiple projects, including a capstone Online Food Delivery Application, demonstrating full-stack development from database integration to responsive UI design.

Java Programming Internship – Codtech IT Solutions (2025)

Successfully completed a Java Programming internship at Codtech IT Solutions from November 25, 2024, to January 10, 2025. Gained hands-on experience and practical skills in Java development, demonstrating strong problem-solving abilities, attention to detail, and consistent dedication throughout the program.
